The Story of Bernadette

Why do you think Bernadette is unhappy?

Why can't Bernadette cross the river to be with the other girls?

When do you feel left out?

What makes Bernadette look up?

What is Bernadette looking at?

How do you think she feels?

Why does Bernadette want to hold her rosary?
What makes you feel better?

What do the other girls think about what Bernadette is telling them?

What do you think about what Bernadette saw?

Why is Bernadette's mother so cross?

What makes mothers cross?

Why does Bernadette go back to the grotto?
What would you do?

What is Bernadette looking for?

How does she know where to look?

Why have all these people come?

What do they think about Bernadette?

What do you think Bernadette
is thinking about?
