The Story of Nanak's Song

Why do you think Nanak is sitting alone under a tree?

Where do you like to be alone?

Why do you think these people want to be with Nanak?

What is it about some people that makes you want to be with them?

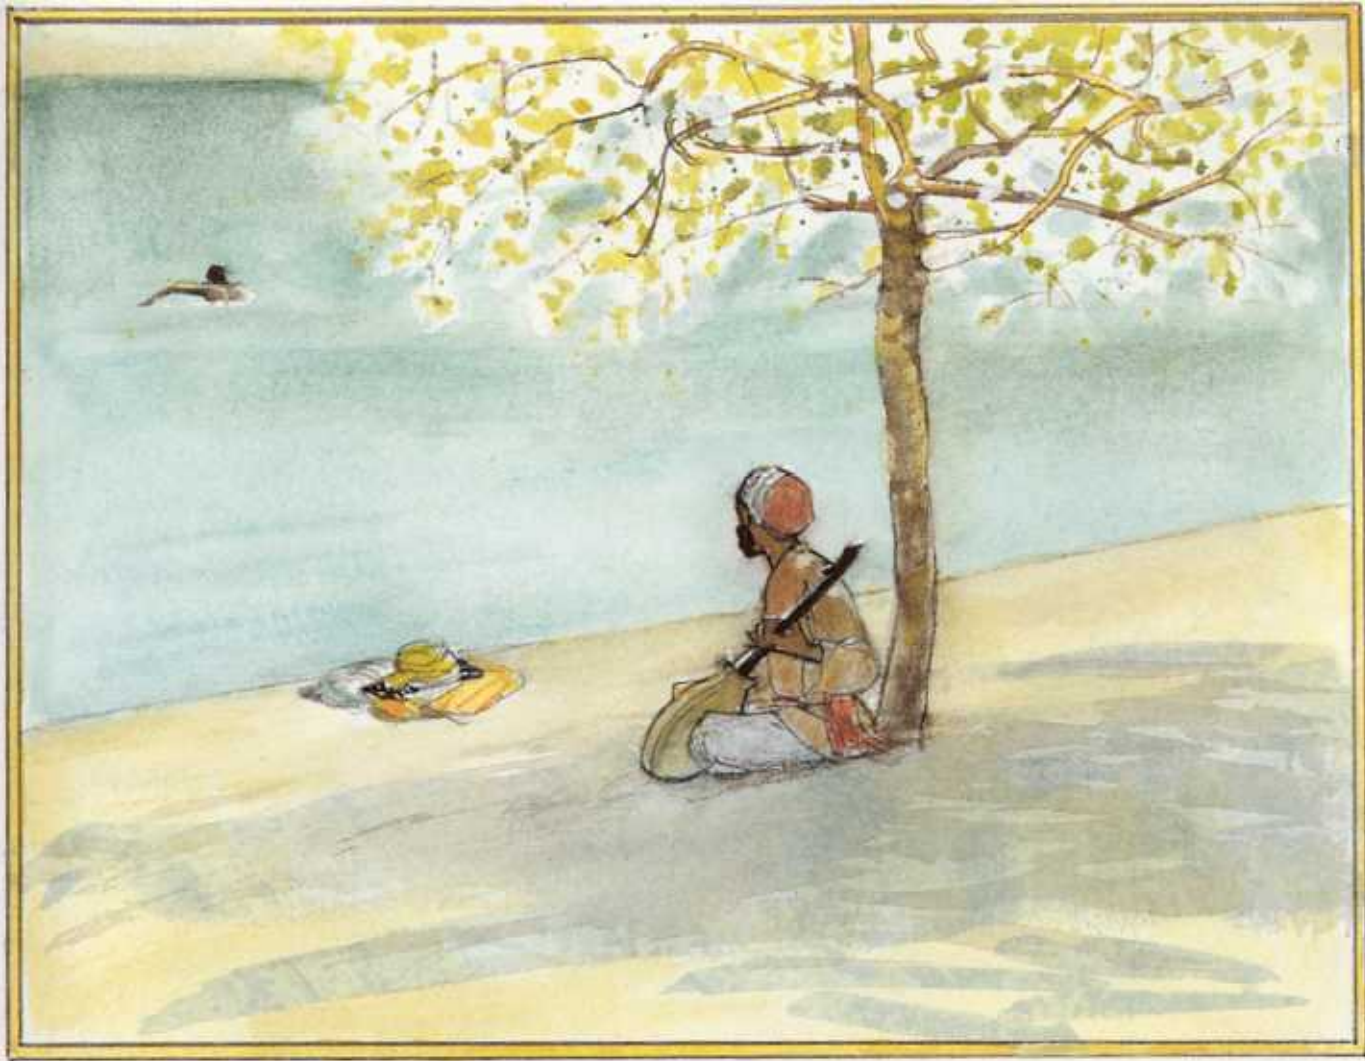

Why do you think Nanak wants to sing?

How is Nanak getting ready to sing to God?

How do you get ready for the important things that you have to do?

What makes Mardana sit and wait for Nanak?

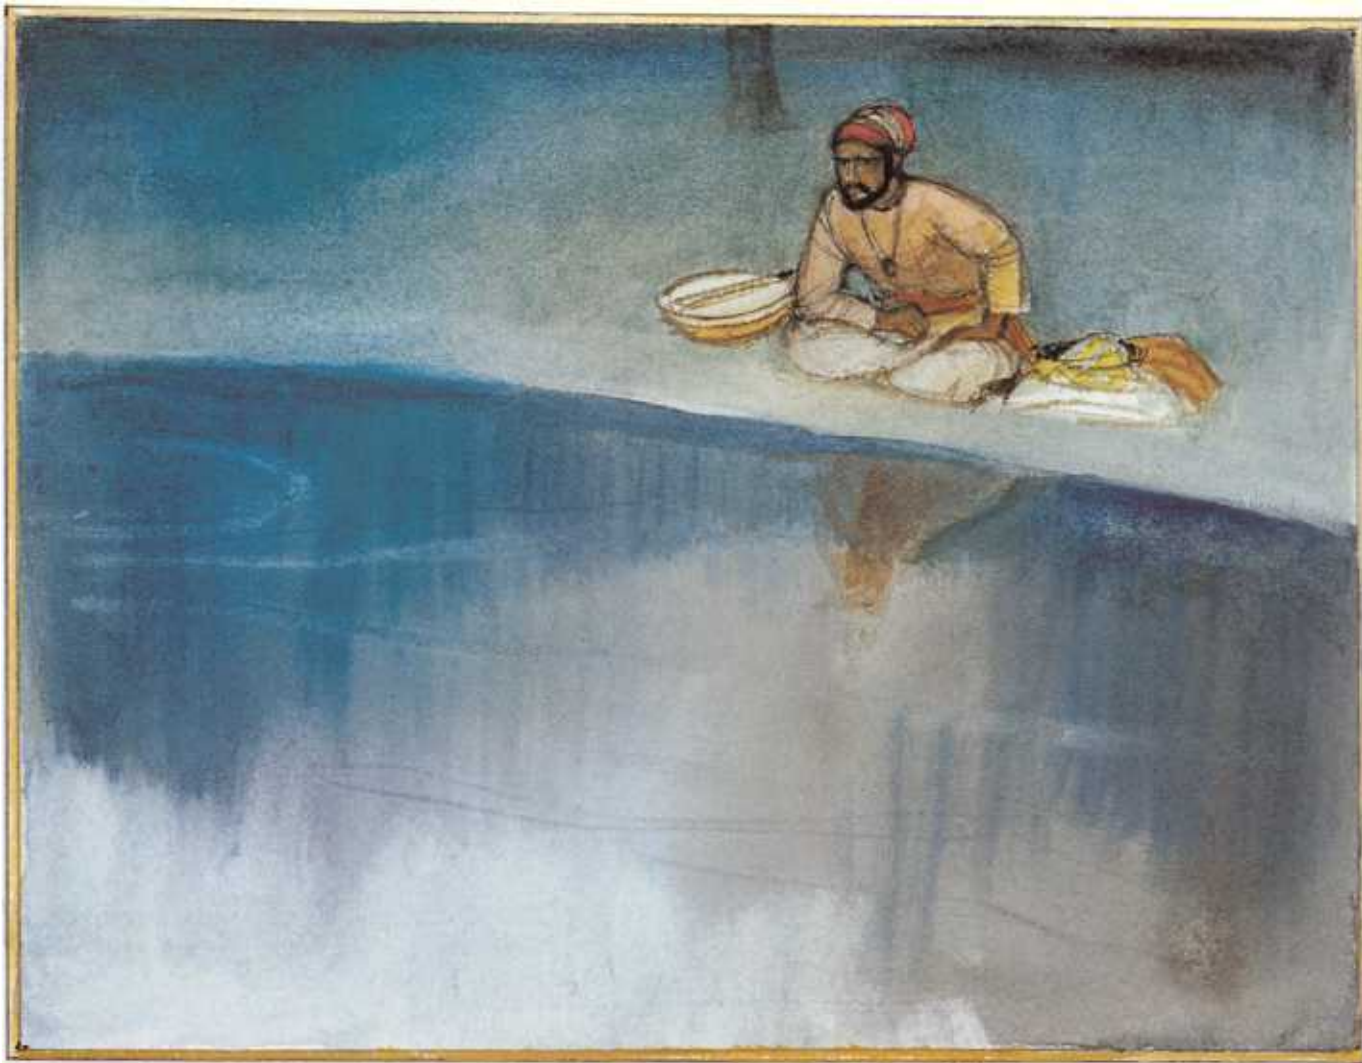

Why do you think Mardana is so afraid?

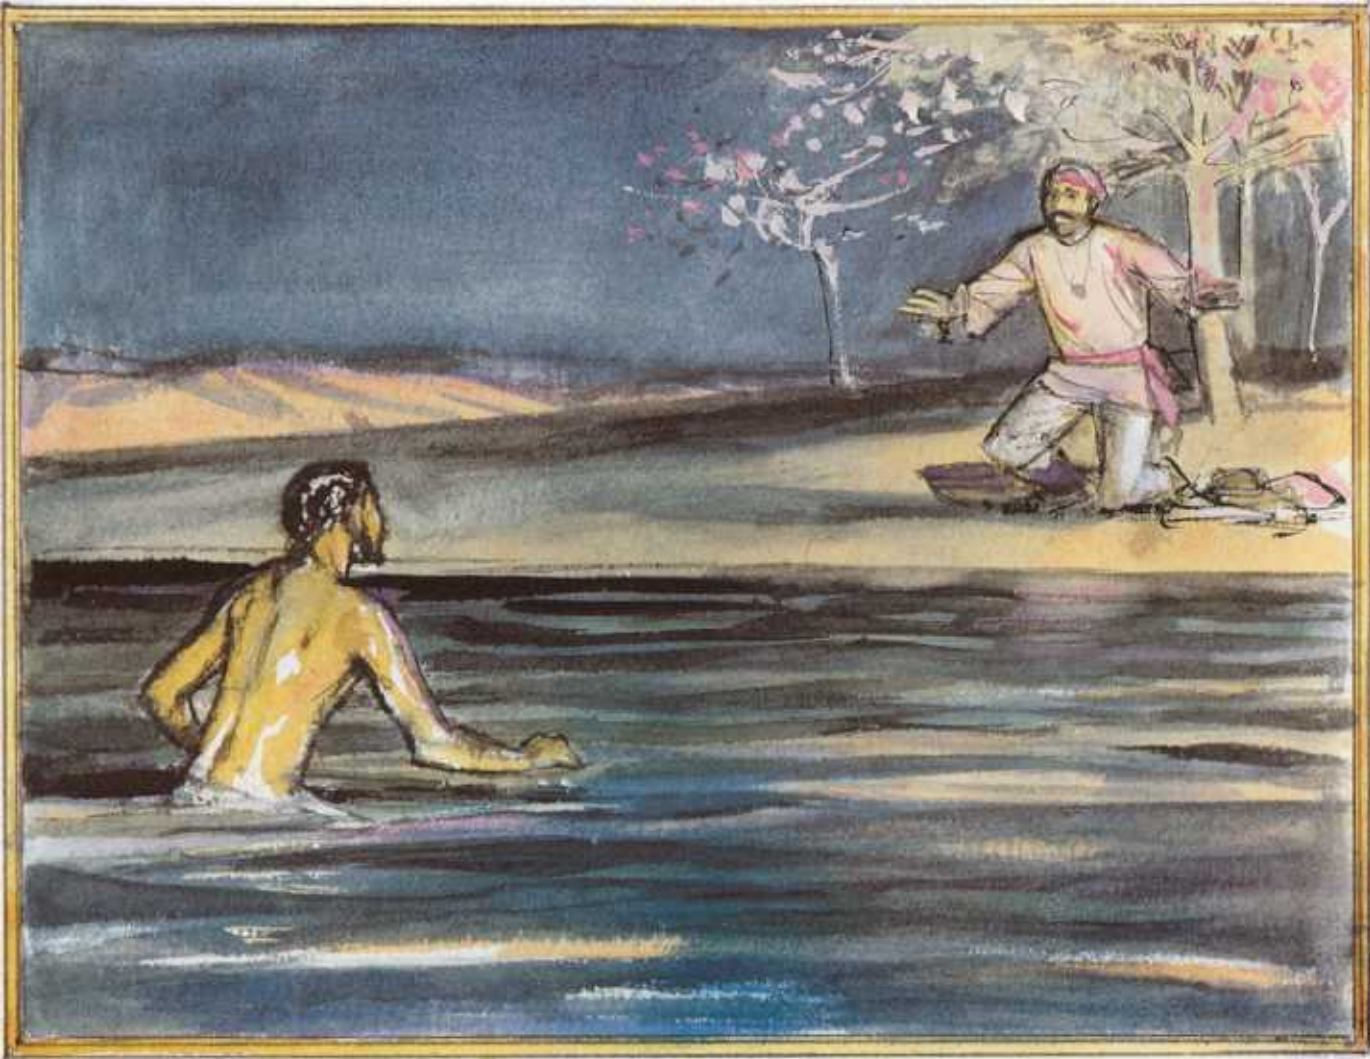

What are you most afraid of?

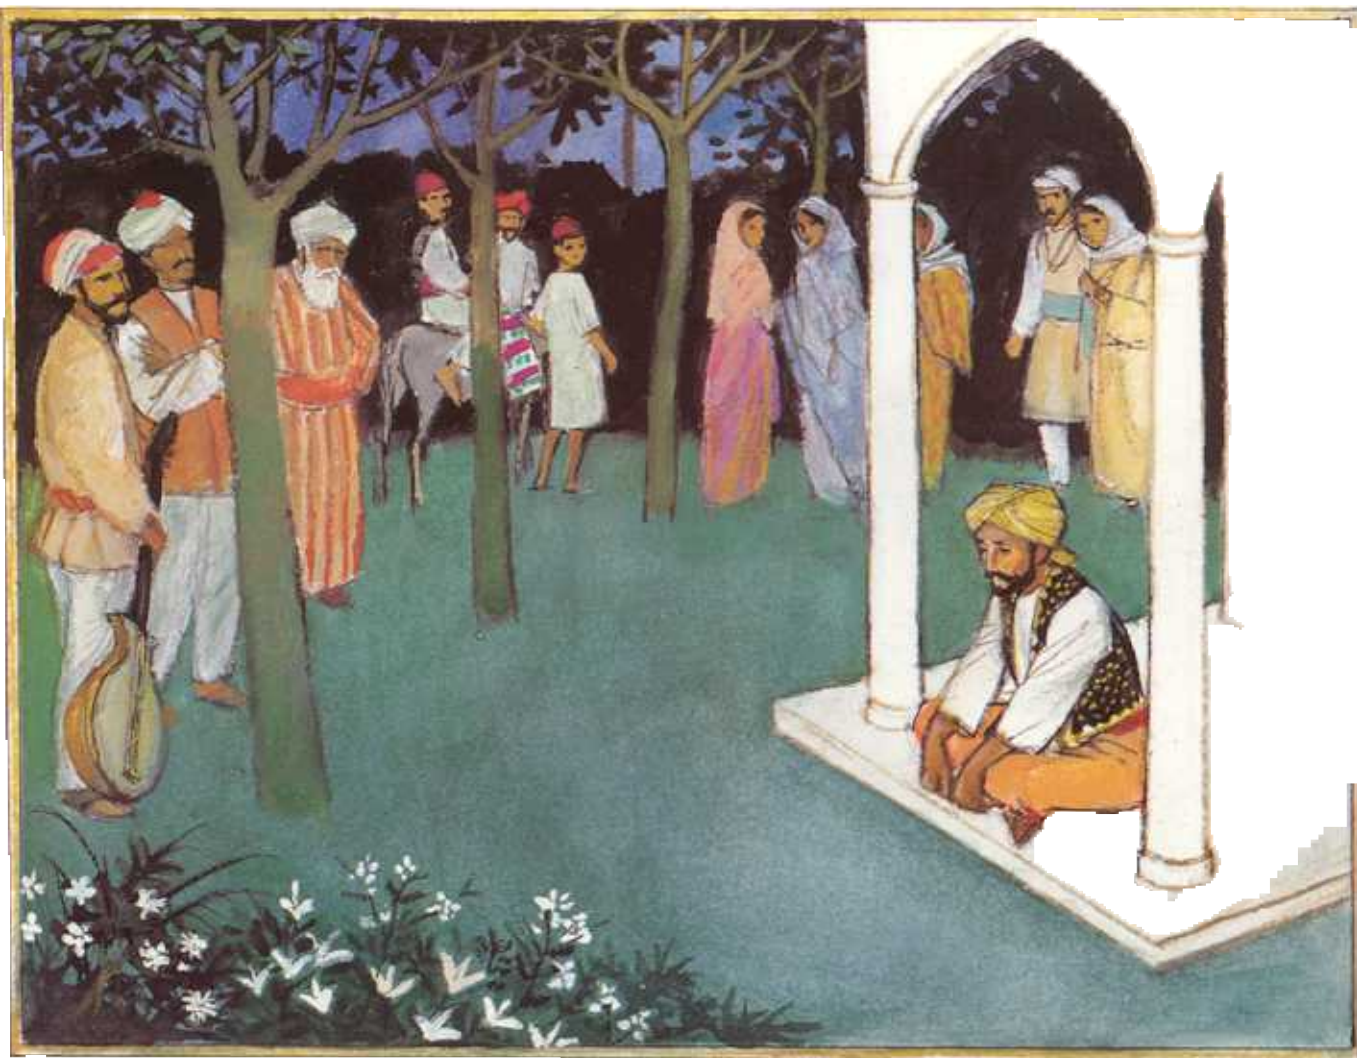

Where do you think Nanak could be?

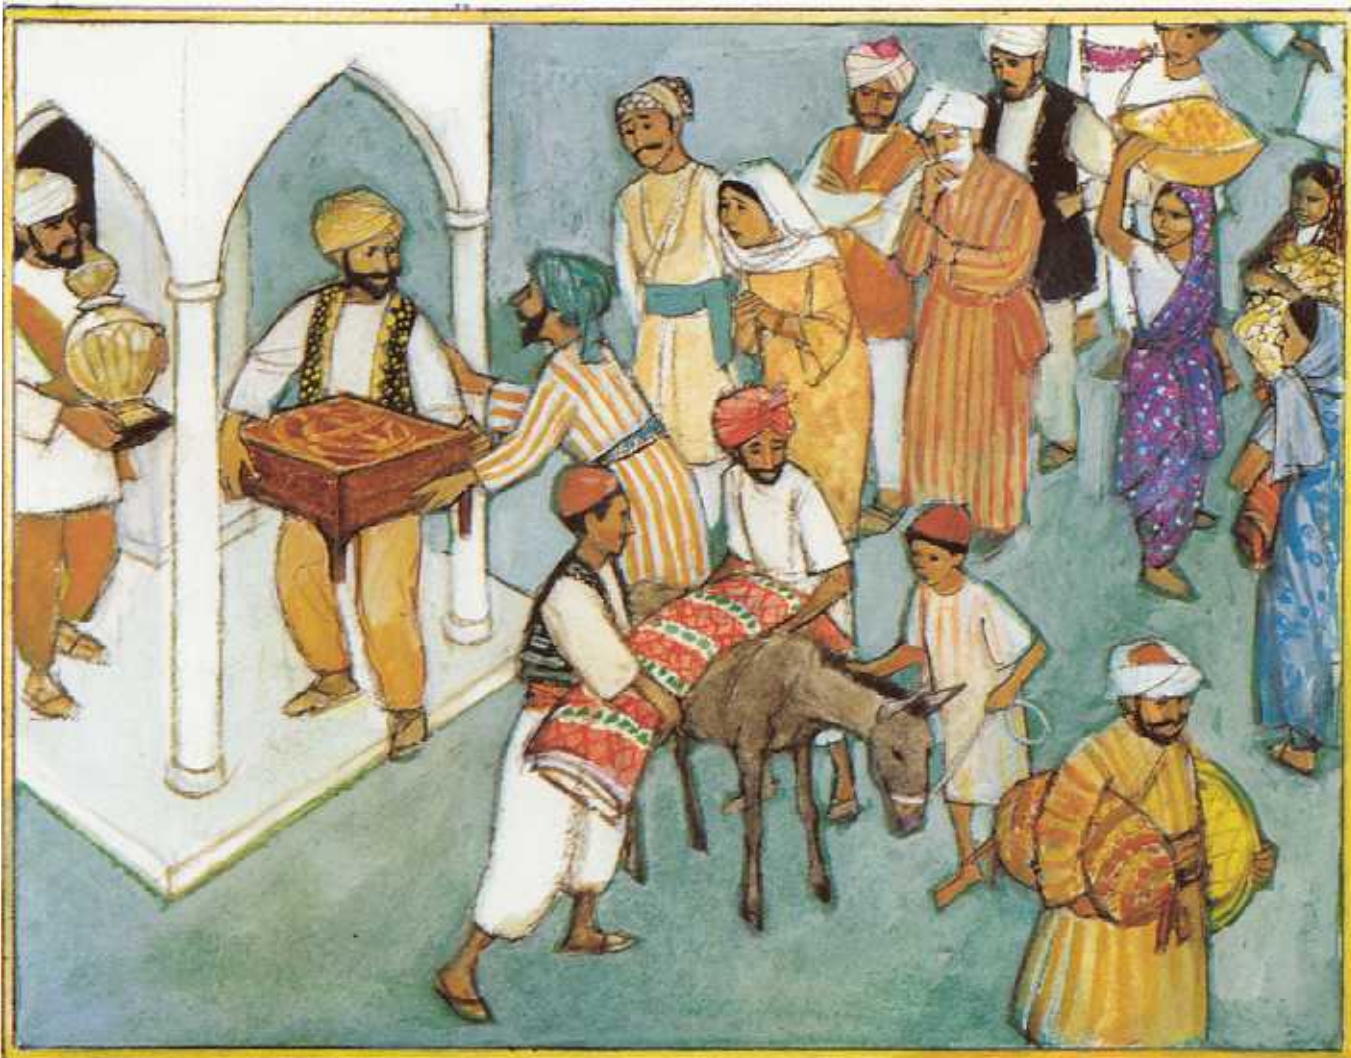

Why is Mardana still waiting?

How do you think Mardana is feeling now?

What do you think Nanak is thinking about?
What are the people thinking about Nanak?
How do you feel about what has happened?

Why is Nanak giving everything away?
What could you give away?
